**NOTICE TO CUSTOMERS  
PORT ALBERNI PORT AUTHORITY  
PORT ALBERNI TERMINALS  
TARIFF REVISIONS**

The Port Alberni Port Authority would like to advise port users that the 2009 port tariffs for Berthage, Harbour Dues, and Wharfage, will remain the same as in 2008.

Due to a number of operational cost increases such as longshore labour, insurance, security and other general operating costs, effective January 1, 2009, the Port Alberni Port Authority is anticipating rate revisions to other port tariffs.

Port Alberni Port Authority will endeavor to minimize tariff rate increases during these difficult economic times.

Port Alberni Port Authority wishes to thank customers for their support in 2008 and looks forward to working with them in 2009.

Should you have any questions or concerns regarding these tariffs, please contact the undersigned

Yours truly,

PORT ALBERNI PORT AUTHORITY

Brad Madelung,  
Port Manager/CEO
