

Brad Madelung appointed Port Manager and CEO

Mr. Brad Madelung is appointed as Port Manager and Chief Executive Officer (CEO) of the Port Alberni Port Authority effective May 1, 2007.

The Board of Directors initiated a search for a Port Manager in late March. Following a review of the applicants, the Board selected Mr. Madelung to be the Port Manager/CEO on a permanent basis.

Prior to this appointment, Brad had been Acting Port Manager since late November 2006. Previously, Brad had been the Manager of Port Alberni Terminals which is the deep sea shipping facility of the Port Authority. Brad has been an employee of the Port for close to 25 years.
