Dredge at Clutesi Haven Marina Scheduled for Monday, July 30, 2018

Port Alberni Port Authority has scheduled a necessary maintenance dredge at Clutesi Haven Marina for Monday, July 30, 2018. Work is anticipated to start as early as 6am and potentially last throughout the day.

The Port Authority hopes to maintain launch access at lanes 1 & 2 while the dredge takes place at lanes 3 & 4 and the river float. Please note that there may be outright delays for all lanes and limited river float access at certain times during the day. The Port Authority and contractor will do their best to ensure any disruptions are minimal.

The Port Authority expects this to be a one day project and is done in accordance with DFO regulations.
