

**Port Alberni, Thursday Oct. 18 and Friday Oct. 19**

The **2018 PromoScience Expedition** will bring the Canadian Coast Guard research ship the CCGS Vector to Port Alberni on Thursday, Oct. 18 and Friday Oct. 19.

- **The ship will be open for FREE for scheduled school and community tours in the morning**
- **And for the public on Thursday from 2:30 to 4:30 p.m. and on Friday from 1:00 to 3:30 p.m.**
- **The ship will dock in the Harbour Quay , at the old lighthouse**
- **The Maritime Museum will also be open by donation both days**

We invite you to come onboard to find out about marine research in your area. Come out and meet marine scientists and technicians, and the Officers and Crew of the CCGS Vector! Watch for updates from your local news outlets and community boards.

The PromoScience Expedition is a collaborative effort between Fisheries and Oceans Canada, Natural Resources Canada, Royal Roads University and with funding from the PromoScience program of the Natural Science and Engineering Research Council of Canada.
